Continuity built on trust

Project « BAGUETTE »

Activity

Located in the Walloon region, “BAGUETTE” **sells raw materials** and **equipment** to **bakeries, patisseries**, ice-cream makers and chocolate makers. With its rich history and partnerships with well-known brands, Baguette is a **quality supplier** to its customers.

Strengths

A **wide range of products** and the representation of **renowned brands** make the company one of the leading players in its sector.

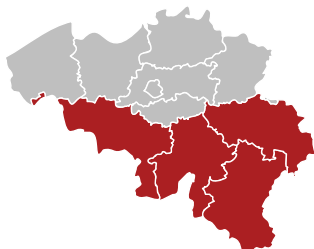

Active for over **80 years**, the company has built up a **loyal customer base** and genuine **expertise**. **Operating property** is included in the sale.

The sector is benefiting from **good momentum**, thanks in particular to the important role played by **craftsmen** in the Belgian market.

Location
